UG Business Integrated Program

UGBIP

Message from Founder

Muhammed Mon

Dear Prospective Students and Parents,

Welcome to AIMER Business School-where we redefine business education by bridging academic excellence with real-world application. In an era of rapid transformation, knowledge alone is not enough; it is the ability to think critically, lead decisively, and innovate boldly that sets professionals apart. Our mission is to cultivate these attributes in every student who walks through our doors.

We are proud to pioneer a transformative approach to education in Kerala, emphasizing experiential learning as a core component of our curriculum. Our programs integrate immersive experiences, live projects, and industry collaborations to ensure that students graduate not just with a degree, but with a strategic mindset and a problem-solving approach. The dynamic curriculum, led by experienced mentors and industry leaders, fosters an environment where students are encouraged to question, challenge, and create.

We are committed to empowering individuals who are ready to shape the future of business. Whether your goal is to lead an organization, build a startup, or create meaningful change, AIMER equips you with the skills, network, and mindset to thrive. Join us and discover what it truly means to gain an edge in today's competitive world.

Where Visionary Leaders Shape the Future

AIMER Business School, nestled in the esteemed 125 acre-Markaz Knowledge City campus in Calicut, is one of Kerala's most trusted business schools. With a vibrant ecosystem of research, learning, and entrepreneurship, we emphasize experiential learning to nurture future global leaders and entrepreneurs.

Located at the serene foothills of Wayanad, AIMER stands as a beacon of excellence and a premier destination for education, healthcare, culture, and entrepreneurship. Its tranquil surroundings provide an ideal setting for learning and living, inspiring growth and innovation in a harmonious environment.

#TheAimerEdge

AIMER Business School isn't another traditional B-school, it is built for those who dare to go beyond limits. Through intensive leadership programs, hands-on strategy labs, and real-world consulting projects, students don't just study business—they practice it.

Every class is a high-impact, immersive experience designed to sharpen decision-making, innovation, and execution. With faculty that push boundaries and an industry-backed curriculum, AIMER ensures that graduates are boardroom-ready from day one.

This is The AIMER Edge and it isn't about adapting to the business world—it's about defining it.

Vision

To mould future multi disciplinary business leaders for a modern and dynamic global environment

Mission

We strive for excellence in providing a holistic learning experience for the best brains in the country standing on three pillars of applied learning, cutting-edge research & consultancy and impactful corporate training.

Values

- ◆ High agency
- ◆ Curiosity
- ◆ Truth over image
- ◆ Long-term thinking
- ◆ Consistency over hype

For whom?

The Undergraduate Business Integrated Program (UGBIP) at AIMER Business School is a comprehensive three-year degree blending academic rigor with hands-on industry experience designed to bridge the gap between academic excellence and real-world business practices.

Passionate Students:

Ideal for students who have just completed their higher secondary education and are ready to embark on their professional journey in business and management

Students Seeking Practical Experience:

Emphasizes experiential learning through internships, industry visits, and boot camps, allowing students to apply classroom knowledge to real-world business scenarios.

Aspiring Entrepreneurs:

Offers entrepreneurial training, industry exposure, and networking to turn ideas into a dream come true.

Global Business Aspirants:

It offers an **International Immersion Program** for students with global careers who are gaining a competitive edge in the worldwide job market.

Future Business Leaders:

With the curriculum focusing on developing managerial and strategic thinking skills, students are groomed to take on leadership roles in corporations, start-ups, or non-profit organizations.

Individuals Focused on Holistic Development:

With a blend of core courses, electives, extracurricular activities, and leadership training, the program prepares students to thrive professionally and personally.

Why UGBIP is the Right Choice for You?

Every Student is Unique-Tailoring them to Discover, Grow, and Achieve.

Our approach to experiential learning, develops strengths, addresses growth and supports students in achieving their career goals.

Dynamic, Immersive, Experience-Driven Learning

Experiential learning enables students to acquire knowledge through practical experiences and real-world challenges, fostering the skills and confidence needed to excel in dynamic business environments.

AIMER's Experiential Learning program helps you build professional connections and expand your network through hands-on projects and collaboration with industry leaders.

Case Studies: Real-World Business Challenges

- ◆ **Experience Simulations:** Engage in virtual business scenarios that mirror real-world challenges, enhancing decision-making and strategic skills
- ◆ **Micro-Simulations:** Focused, quick simulations for mastering business topics like marketing, strategy, and operations
- ◆ **Simulation Topics (Examples):**
 - » Strategy & International Business: Think global, act strategic
 - » Marketing Management: Create impactful campaigns
 - » Project Management: Plan and execute flawlessly
 - » Hospitality Management: Navigate service excellence
 - » Financial Services: Decode banking and finance
 - » Retail & Automotive: Manage operations with precision

Industrial Visits: Hands-On Business Exposure

- ◆ Gain valuable insights into industry practices
- ◆ Experience business operations through monthly visits to various industries

Management Challenges

A platform to solve and learn real-world business problems

- ◆ **Revenue Rocket:** Boost footfalls for local businesses
- ◆ **XSeed:** Multiply INR 10,000/- seed capital
- ◆ **E-commerce Sprint:** Quick scaling of e-commerce ventures

Bootcamps: Practical Learning for Real-World Impact

Example topics:

- ◆ **Advanced Excel:** Master data analysis, pivot tables, and automation to streamline business operations
- ◆ **Canva Design:** Learn to craft professional presentations and marketing materials effortlessly
- ◆ **Power BI:** Gain expertise in dashboards and data visualization for impactful insights
- ◆ **Design Thinking:** Develop innovative, user-centered solutions through creative problem-solving
- ◆ **Digital Marketing:** Explore SEO, social media strategies, and analytics for impactful campaigns
- ◆ **Fundamentals of Investments:** Understand portfolio management and innovative investment strategies
- ◆ **Sustainability in Business:** Integrate ESG principles and sustainable practices into operations
- ◆ **Project Management Tools:** Use platforms like Jira and Trello for efficient project execution

Lectures by Industry Experts: Practical Insights

- ◆ Gain up-to-date knowledge from active professionals
- ◆ Connect theory with real-world practices for better industry readiness

International Immersion Program

 Vietnam

 Saudi Arabia

 UAE

 China

 Malaysia

Understanding international markets is vital for aspiring leaders in today's globalized world. The International Immersion Program provides first-hand exposure to the dynamic global business landscape, preparing students to seize opportunities and navigate challenges beyond borders.

- ◆ International Immersion Program is offered in countries like the United Arab Emirates, Saudi Arabia, China, Malaysia or Vietnam
- ◆ Aims to provide a global business perspective and enhance employability
- ◆ Offers valuable international exposure to dynamic markets

Key Components of the Program

Classroom Insights	Explore global business dynamics through expert-led sessions
Industry Exposure	Gain practical insights through visits to leading industry sectors
Career Boost	Access internships, jobs, and networking opportunities
Cultural Discovery	Experience the city's culture and attractions

A wide-angle photograph of a modern lecture hall or auditorium. The room features tiered seating with grey upholstered chairs and light wood armrests. The walls are white, and the ceiling has several square recessed lights. Large windows on the left side offer a view of the outdoors. Two framed pictures hang on the wall. The floor is made of light wood.

Our Campus

Stepping onto AIMER's campus means immersing yourself in an environment designed to inspire, innovate, and connect. From state-of-the-art facilities to collaborative workspaces, every corner is crafted to enhance learning and creativity. AIMER is not just where you study; it's where you grow, explore, and shape your future.

Infrastructure

AIMER Business School is located at the prestigious Markaz Knowledge City (MKC), an integrated township in Kaithapoyil, near the serene foothills of Wayanad, Kerala.

Smart Classrooms:

Tech-enabled, air-conditioned spaces for dynamic learning.

Library:

1,610 sq. ft. with a wide range of academic and digital resources.

Incubation Zone:

2,900 sq. ft. dedicated to innovation and entrepreneurship.

Sports Arena:

7,000 sq. ft. football pitch, multi-sport court, and spectator gallery.

Seminar Hall:

1,620 sq. ft., advanced AV systems, seating 120.

Recreational Hub:

2,582 sq. ft. with table tennis, chess, pool, and more.

Canteen & Lounge:

Wi-Fi-enabled spaces for dining, study, and relaxation.

Hostel:

Comfortable, well-equipped living spaces.

IT Infrastructure:

High-speed internet and fully-equipped computer labs.

Healthcare:

On-campus medical facilities for students and staff.

Security:

24/7 surveillance and biometric attendance for safety.

Transportation:

Convenient campus shuttle service and transport options.

Student Life

The Student Representative Council (SRC): Empowering Student Voices

The Student Representative Council (SRC) connects students with faculty and administration, enhancing the AIMER experience through student-led events. Elected representatives ensure the SRC reflects the student community's voice.

Clubs at AIMER

Sports Club

Unleash Your Potential, One Game at a Time.

- » Hosts multiple sports tournaments yearly
- » Engages students in fitness activities
- » Fosters teamwork, resilience, and leadership

Arts Club:

Where Creativity Knows No Boundaries.

- » Organizes monthly art exhibitions and performances
- » Active participation of students
- » Celebrates creativity through diverse mediums

Business Club

Empowering Future Leaders Through Real-World Insights.

- » Conducts industry guest lectures annually
- » Provides real-world insights through workshops and case studies
- » Hosts networking events with entrepreneurs

Social Club

Making a Difference, One Step at a Time.

- » Runs community service projects each year
- » Involved in raising awareness for social causes
- » Student volunteers making a difference

Each club enhances personal growth, networking, and leadership skills.

Geography

Geographical Location

Situated at 724 meters above sea level in the Western Ghats.

Ideal Climate

Comfortable year-round average temperature of 22.2°C (71.9°F).

Natural Serenity

Surrounded by lush forests and wildlife sanctuaries for a peaceful environment.

Holistic Growth

A serene setting that fosters focus, creativity, and well-being

Air Quality

Pristine and healthy, supported by extensive greenery and natural surroundings

Rainfall

Experiences heavy rainfall during the monsoons and minimal rainfall during the dry season

Land forms

Comprises rolling hills, sloping terrains, and plateaus characteristic of the Western Ghats region.

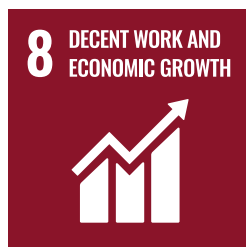

Empowering Future Leaders for a Sustainable World

At AIMER Business School, we align our mission with the UN's 17 Sustainable Development Goals (SDGs) to address global challenges like inequality, education, climate action, and economic growth. We educate and inspire future leaders to drive sustainable, inclusive, and equitable change by integrating these goals into our academics, operations, and outreach.

SUSTAINABLE DEVELOPMENT GOALS

We Support

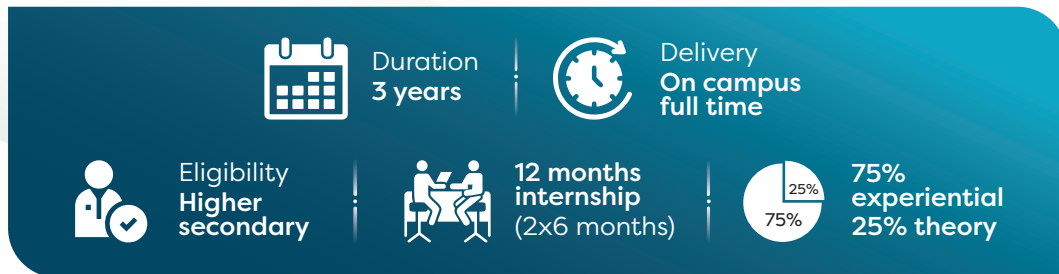

Curriculum

AIMER's curriculum blends academic excellence with practical, future-focused learning. Designed to foster innovation, leadership, and adaptability, it empowers students to thrive in today's dynamic business world. Learn beyond the classroom and step into a future of success!

Program Highlights

The **UGBIP** at AIMER is a three-year full-time program blending academics with practical experience, aligning with NEP 2020's focus on experiential learning. Through core courses, electives, internships, and industry projects, it bridges theory and real-world applications, equipping students with entrepreneurial and corporate success skills.

Comprehensive Skill-Based Assessment Model

This evaluation model emphasizes continuous engagement, practical learning, and real-world applications. It eliminates traditional handwritten evaluations, focusing entirely on activity-based and project-driven assessments.

Admissions

Admissions at AIMER are more than a process - they are an opportunity to take the first step toward an extraordinary future. We seek passionate, driven individuals ready to embrace experiential learning, industry-focused education, and a dynamic campus life.

Hear from Our Students

Studying at AIMER has been an incredible journey. The blend of academic rigor, hands-on learning, and industry exposure has equipped us with essential skills for the business world. Frequent industry visits, expert presentations, and tailored mentorship have expanded our viewpoints and equipped us to address real-world challenges. AIMER's focus on innovation, leadership, and global exposure empowers us to make a meaningful impact.

Hashir Muhammed (PGWIP, 2022)
Project Analyst, Bisget International, Riyadh

AIMER's PGWIP enhanced my technical and soft skills, fostering confidence, time management, and a growth mindset. The collaborative environment, dedicated professors, and state-of-the-art facilities greatly impacted my learning. Real-world exposure through internships and industry partnerships was transformative, strengthening my problem-solving abilities.

Muhammed Adil C P (PGWIP, 2022)
Co-Founder & COO, Zooty Foods, Calicut

AIMER's program offered transformative insights into the FMCG sector and corporate world. The placement support led to an internship at Team Thai, where I gained hands-on experience in market analysis, FMCG operations, and corporate culture, preparing me for my entrepreneurial journey.

Hina Mustafa (PGWIP, 2022)
HR Manager, AIMER Business School, Calicut

AIMER Business School's program equipped me with leadership, time management, and strategic thinking skills, along with a strong foundation in business management and HR. This prepared me for my role as Executive Assistant to the CEO, where I gained insights into leadership and strategy, paving the way for my current role as an HR Talent Acquisition Specialist, driving AIMER's success.

At AIMER Business School, we follow a streamlined, student-focused admission process for the UGBIP program, ensuring a smooth and transparent journey from application to enrollment. Through our one-of-a-kind AIMER Gamified Test and AIMER AI interview, we assess academic eligibility and consider your passion for business, entrepreneurial spirit, and overall potential to succeed in the program.

Eligibility Criteria for UGBIP

To apply for the UGBIP program, applicants must meet the following eligibility criteria:

1 Educational Qualification:

Completion of **12th Grade (Higher Secondary Education)** or equivalent from a recognized educational board with a minimum of 50% aggregate marks in the qualifying examination.

2 Entrance Requirements:

Successful performance in the **NAT & Personal Interview** to assess communication skills, personality, motivation, and suitability for the program.

3 Language Proficiency:

Proficiency in **English** (reading, writing, and speaking) is essential.

4 Passion & Interest:

A demonstrated interest in **business management, entrepreneurship, or leadership** through academic performance, extracurricular involvement, work experience, or leadership roles.

Step-by-Step Admission Process

1

Financial Assistance for UGBIP

At AIMER, we believe that education is an investment, and we strive to make it accessible to deserving students through a range of financial assistance options.

Scholarships at AIMER are awarded based on a comprehensive evaluation of a student's academic and personal performance, including 10th marks, +2 marks, NAAT score, and interview performance. Based on this evaluation, students can receive scholarships ranging from 10% to 50%.

This structured approach ensures that deserving students receive the support they need, making quality education through the UGBIP program more accessible, regardless of financial constraints.

General

► What is the degree offered by AIMER?

- A. AIMER is not affiliated with any university and does not award degree certificates. However, students at AIMER receive a Business-Integrated Program Certificate from AIMER along with a UGC-approved BBA or MBA degree from our partner university.

► What is Experiential Learning?

- A. Experiential learning at AIMER is a "learning by doing" approach where students actively engage in real-world business scenarios through case studies, industry projects, business simulations and activities, bootcamps, management challenges, startup series, expert mentoring, and industrial visits. This model ensures that students develop practical skills and are industry-ready upon graduation.

► What opportunities open up upon completing the programs from AIMER?

- A. Graduates from AIMER can explore diverse career opportunities, including:
- Entrepreneurship & Startups – Establish and grow their own ventures with the knowledge and industry exposure gained during the program.
 - Family Business Management – Strengthen and expand their family business by applying modern business strategies and innovative practices.
 - Corporate Careers – Secure roles in leading companies across industries such as marketing, finance, human resources, consulting, and more.

► Is there an online program available?

- A. Currently, AIMER offers only in-person, full-time work-integrated programs to ensure maximum experiential learning and industry exposure. However, we do conduct workshops, industry sessions, and expert talks in hybrid mode to complement learning.

► What are the basic eligibility criteria for applying for the programs?

- A. Currently, AIMER offers only in-person, full-time work-integrated programs to ensure maximum experiential learning and industry exposure. However, we do conduct workshops, industry sessions, and expert talks in hybrid mode to complement learning.
- For Undergraduate Business-Integrated Program (UGBIP): Candidates must have completed +2 (or equivalent) from a recognized board with a passion for business and leadership.

► Will there be any entrance test for AIMER's work-integrated programs?

- A. Yes, admission to AIMER's work-integrated programs involves a multi-stage evaluation process to assess candidates' aptitude, business acumen, and readiness for experiential learning. This includes:
- National AIMER Admission Test – An interactive, gamified assessment designed to evaluate risk taking ability, logical and numerical reasoning, multi-tasking and basic business skills in a dynamic way.

► Will CAT or GMAT scores be accepted as part of the eligibility criteria for AIMER's work-integrated programs?

- A. CAT or GMAT scores are not mandatory for admission to AIMER. However, candidates with valid CAT, GMAT, or other competitive exam scores may submit them as additional qualifications to strengthen their application. Admission is primarily based on AIMER's multi-stage evaluation process, which includes:

► What is the frequency of intake to the programs?

- A. AIMER follows a yearly intake system, with new batches commencing in June/July.

► When will the applications open for this year?

- A. Applications for the 2025-26 admission cycle are currently open, and interested candidates are encouraged to apply at the earliest to avail of early bird benefits. Please refer to the respective brochure for more details.

- ▶ **How is the fee structure designed?**
 - A. AIMER's programs are priced competitively to reflect their high-value, industry-oriented curriculum. Please refer to the respective brochure for more details.
- ▶ **Is there any financial aid available to the students?**
 - A. Yes, AIMER offers merit-based scholarships and early bird discounts to deserving candidates. Please refer to the respective brochure for more details.
- ▶ **What is the withdrawal and refund policy at AIMER?**
 - A. Before commencement of the program :
 - Refund of Tuition Fees: If a student cancels their admission 30 days prior to the the start of the program, they will be eligible for a full refund of the paid tuition fees
 - If a student cancels their admission 7 days prior to the start of the program, they will be eligible for a 75% refund of the paid tuition fee.
 - After commencement of program:
 - No refunds will be issued for tuition, immersion program, or any other program-related fees after the commencement of academic activities
 - Note: The registration fee is non-refundable under all circumstances.
- ▶ **Does this work-integrated program fulfill the criteria of having a professional degree to appear for exams like UPSC, CAT/GMAT, etc.?**
 - A. Since AIMER's work-integrated programs are not directly affiliated with any university but provide a UGC-approved degree through a partner university, students should check the specific eligibility criteria of exams like UPSC, CAT, GMAT, and others before applying.
- ▶ **Does the reputation/history of my undergraduate institution or company affect my chances of being accepted for the Postgraduate Business-Integrated Program?**
 - A. While AIMER values a strong academic and professional background, admission decisions are based on the candidate's overall potential, leadership qualities, and motivation. AIMER looks for individuals with a growth mindset and a passion for business, irrespective of their past institution's reputation.
